ABOUT

Minds & Event unlike any other, gives an unforgettable experience, while making your event stress free. With our experienced team of planners, who specialize in creating unique and memorable moments that will leave a long lasting impression on you and your guests.

With us, 'magical' is possible. We will help you create a customized event to your very imagination, while working with the best team in Nigeria, to bring it to reality, from the best vendors to breathtaking designs and to beautiful environments.

For your event, everything matters.

FIND OUT MORE

Established in 2017, Minds & Event was created to make fine events to the custom taste of our clients. Our goal is to bring magic to reality, while providing the best services and amazing customer services.

3 reasons why you should choose Minds & Event

- Your mind does the thinking, we do the creating whether big or small
- We are committed to creating events that will be remembered by you and your guests for a life time.
- Your satisfaction is our priority.

Excellence at its peak.

OUR SERVICES

1. WEDDINGS:

Our team of specialized planners are ready to bring your fairy tale to reality. Right from the beginning to the very end of the event, be it your traditional wedding, engagement, registry gathering, church wedding, reception or even the after party. Once booked, you won't have to stress, just seat back, relax and watch your very own beautiful fairy tale unfold. We will partner with the best vendors in Nigeria to help achieve that beautiful wedding.
